CONSIDERATIONS

- **In order to complete this degree, students must:**
 - Complete of a minimum of 60 Credit hours including General Education Requirements- 31 Credit hours.
 - Social Sciences, Administration, and Health Core courses- at least 15 Credit hours, with a minimum of 3 credit hours at 200 level.
 - Electives- Up to 11 Credit hours as needed to complete 60 Credit hours 2.
 - Complete a minimum of 15 Credits at 200 level., with at least 3 credit hours at the 200 level from the Core 3.
 - Have a GPA of 2.0.
- **ENGL 101/011, if needed for ENGL 102 /ENGL 103 , or select a general elective.**
- **Behavioral and Social Science Distribution (BSSD) courses must come from different disciplines.**
- **Students must complete one Global or Cultural Perspectives designated course as part of their General Education Program.**
- **Students should attempt ENGL and MATH foundation requirements within completion of the first 24 credits of college level work or at the completion of any prerequisite or required non- credit coursework.**
- **Any credit hours beyond the minimum in General Education (32 Credit hours) or Core courses are counted toward elective credit hours.**
- **Any CCJS course, except CCJS 255 .**
- **Two general education institutional requirement (GEIR) courses required from the following general education courses: COMM, HLTH, or one ARTD or HUMD. Students may only take one course from ARTD or HUMD to fulfill General Education Institutional Requirements.**

Please Note: Exact semester credit counts may vary based on specific course selections.

Notation from the other side:

- Students transferring to a specific four year institution, please check the Transfer Agreements site for articulated pathways that identify required coursework.
- * Based on type of Economics transfer (BA or BS), math requirements are different. Please carefully review math selection with a program advisor or counselor
- ** Check with transfer institution for World Language Proficiency requirements. Students with previous knowledge of a language may take the [online language placement test](#) and/or consult with the department chairs of the world languages discipline to determine course placement. Students who place at a higher level should adjust the suggested course sequencing to align with their course placement.
- *** Check with transfer institution for Sociology course requirements especially math courses
