	**Foreign Language 102 (HUMD)		3		C	4
Total Credits at Community College Name:				Transferrable credits to UMBC (Maximum 70):		

\* Course can be used to satisfy UMBC major requirements when completed with a "C" or better.

\*\* Foreign Language Requirement: The language requirement consists of completion of a foreign language through the 201 level or demonstrated proficiency at that level. The proficiency requirement is met by previous experience as follows: 1) completion of level 4 or higher of a language in high school, or 2) corresponding AP, IB or CLEP credit, or 3) completion of a language through the 201 level at a regionally accredited college or university. The Shady Grove Transfer Credit Limit Exception is available to students who earn an associate degree prior to transferring to UMBC at Shady Grove and will permit the transfer of up to 66 credits, instead of the standard 60-credit transfer limit, from a Maryland two-year school to UMBC on the condition that six (6) of the 66 credits are language courses directly applicable toward the 201-level language sequence required as part of the UMBC general education program.

^Minor Area of Study: UMBC's Social Work program requires a second area of concentration of at least 18 credit hours, such as another major, or a minor. At UMBC, at least six credits of the area of concentration must be upper-level. Maximum nine credits from MC can be used toward the minor at UMBC. Students attending UMBC at USG may complete a minor in: Sociology, Political Science, Psychology, History, or Public History. Note: The minor in social welfare cannot be used to satisfy this requirement in conjunction with the social work major. Course can be used to satisfy the Psychology Minor requirements when completed with a "C" or better. This pathway assumes the student will complete the Social Work, B.A. and Psychology Minor. Any student who intends to complete a minor in another area may need to complete additional Minor Area of Study courses upon transfer to UMBC and should contact their appropriate UMBC representative.
