

COMMUNITY ENGAGEMENT

The Office of Community Engagement takes Montgomery College beyond the campus and into the community through partnerships, one-on-one enrollment assistance, community events, and grassroots outreach.

YEAR IN REVIEW 2024-2025

Community Engagement successfully participated in many outreach events and educational programs that helped residents of Montgomery County access higher education and workforce development classes.

ABOUT US

The Office of Community Engagement empowers students and county residents by raising awareness about the College and helping them enroll. Our staff speak many languages, and we offer translation and interpretation services.

Our staff offers information about enrollment, programs of study, scholarships, and events.

We offer these services on campus or in the community. Contact us for more information at the email below.
